UNITED STATES DEPARTMENT OF AGRICULTURE
AGRICULTURAL ADJUSTMENT ADMINISTRATION
WASHINGTON, D.C.

April 12, 1937.

Mr. Harold Weisberg,

Office of the Comptroller.

Dear Mr. Weisberg:

The Board of Review of Efficiency Ratings has carefully considered your request for a review of your efficiency rating of "Good", given you for the period ending with March 31, 1937.

The Board, after exhaustive inquiry, finds itself unable to change your rating.

Your Rating Officer, Reviewing Officer, as well as another Supervisor, the Chief of the Rental and Benefit Audit Section, and the Comptroller, concur in the findings of the Board.

Very truly yours,

T. Weed Harvey,
Chairman, Board of Review
of Efficiency Ratings.
